Options	Mark **Yes** to allow us free rein over items not completed below as we see best	Yes		No	

Cloud Shape (Name or draw - e.g. cloud, star, heart, square, rectangle, circle, oval, tear, house, baby, skull, music note, cat, car, balloon, tree, etc. - if custom shapes then provide picture / photo or file but is subject to suitability)

Fonts (List any particular fonts or font styles you'd like used, or even not used!)

Word Layout (mark one)

Horizontal (H)		Vertical (V)	
H & V		Angled	
H, V, & Angled		Random	

Duplicate Words	Yes		No	

If Yes this will completely fill the Cloud Shape with your words in a variety of sizes.
If No then the words will not be repeated, but there may be jagged gaps if there are not enough words to do the job.

Colours (Even if you've put colours against some of the individual words, you can also specify which colours you'd like used generally here)
